

Add The Select.Live Portal To Your Device

Android Devices

	Chrome	Firefox
1	Launch Chrome for Android and navigate to select.live.	Launch Firefox for Android and navigate to select.live.
2	Log in to select.live using your email and password	Log in to select.live using your email and password
3	Tap the menu button and tap Add to homescreen.	Tap the menu button
4	Enter a name for the shortcut and then Chrome will add it to your home screen.	Tap the Page option, and tap Add to Home Screen.
5	The icon will appear on your home screen like any other app shortcut or widget, so you can drag it around and put it wherever you like.	The icon will appear on your home screen like any other app shortcut or widget, so you can drag it around and put it wherever you like.

Apple Devices

	Safari
1	Launch the Safari browser
2	Navigate to select.live
3	Log in to select.live using your email and password
4	Tap the Share button on the browser's toolbar – that's the rectangle with an arrow pointing upward (It's on the bar at the top of the screen on an iPad, and on the bar at the bottom of the screen on an iPhone).
5	Tap the Add to Home Screen icon
6	Name the shortcut before tapping the Add button
7	The shortcut will now appear just like a normal app icon. When you tap the icon, it will load the website in a normal tab inside the Safari browser app.
Note:	Other browsers like Chrome for iOS, don't offer this feature, so you'll need to use the Safari browser.

Windows Devices

	Tablets	Phones
1	Open the Internet Explorer browser.	Open the Internet Explorer browser.
2	Navigate to select.live	Navigate to select.live
3	Log in to select.live using your email and password	Log in to select.live using your email and password
4	Pull up the app bar by right-clicking or swiping up from the bottom of your screen.	Tap the More (...) button
5	Tap the star icon.	tap Pin to Start
6	Tap the pin icon, enter a name for the shortcut, and click Pin to Start. The website will appear as a tile on your Start screen.	The website will appear as a tile on your Start screen.
7	Tap the tile and the website will open in Internet Explorer.	Tap the tile and the website will open in Internet Explorer.
